*Zeta Phi Beta Sorority, Incorporated was founded on January 16, 1920 in Washington, D.C., in the belief that the social nature of sorority life should not overshadow the real mission for progressive organizations to address societal mores, ills, prejudices, poverty, and health concerns of the day. The international organization has over 100,000 initiated members, operating in more than 800 chapters, who have given millions of voluntary hours to educate the public, provide scholarships, support organized charities and promote legislation for social and civic change.*

*Tau Psi Zeta Chapter of Zeta Phi Beta Sorority, Inc. was chartered on September 19, 2004 and we are proud to host our seventh annual Finer Womanhood Breakfast. We seek to provide leadership skills that will enhance the abilities of our members to promote civic work in the community and build a foundation upon which our national organization can thrive. This multi-faceted, growing membership base of professional women of color in the Chicagoland and South Suburban area is our greatest asset.
