Tickets, Paddles, and Zetas

3rd Annual Bachelor Auction

By Soror Lane

Tau Psi Zeta kicked off the month of October with their 3rd Annual Bachelors for Books Auction for Sweetest Day. The auction was held on October 12th, at the Elk's Lodge in Crestwood, IL. The money raised from this event will aid the Fervent Hearts Foundation in presenting scholarships to various qualified students attending college.

All bidders received gift certificates to select restaurants. This year's event was one to remember, with 22 sexy bachelors and a house full of Sorors and guests. The bachelors provided the audience with their own style while bringing lots of swagger! Throughout the night, guests continued to arrive and the bachelors continued to entertain the crowd. The auction was such a success that they ran out of bidding paddles! The top bachelor for the night went for \$260, the top bidder received a pair of tickets to see a Chicago BlackHawks game. The auction was followed by an after party for the grown and sexy with Soror DJ Tamera Taylor on the tables.

Many thanks to the Fundraising Committee for their hard work and dedication in making this year's bachelor auction an even greater success.

A special thanks to the restaurants, the ETA Theater, the Shedd Aquarium, Brunswick Bowling Lanes, MoBee Enterprises, Lansing Cinema 8, Jokes and Notes and the Chicago BlackHawks who donated gift cards and packages so that our lucky winners could have a Sweetest Day to remember.

From the Desk of the President:

Greetings Sorors, Amicae, Youth, Brothers, Family, & Friends,

Tau Psi Zeta (TPZ) has kicked off another exciting year of Finer Womanhood, Service, Scholarship, and Sisterhood. In thinking about what those words mean, I hope you will look at our programs and understand why we are so passionate about Zeta and making a difference in our lives, and the lives of others. For Finer Womanhood we were honored by the NPHC-C as the Sorority Chapter of the Year and our very own Basileus Emeritus and IL State Director Renee S. Byrd was honored as Soror of the Year. For Service we raised over \$3,400 for the ACS for their Making Strides Against Breast Cancer Walk. We also were fortunate that our Stork's Nest was picked to be featured on BETJ's Urban Living with Helen Bailey. For Scholarship we educated ourselves and taught our new members the "business of Zeta" at the State Meeting and we raised over \$1,500 in scholarship funds with our annual Bachelor Auction. For Sisterly Love we joined with friends to celebrate the 4th anniversary of our chapter. Hope to see you soon!

Sisterly,

Charlotte D. Taylor, Esq., President

Truly, Phenomenal Zetas

2008 Grand Boulé

By Soror Bennett

Zetas from all over the world descended on the Las Vegas Strip June 28-July 3 in celebration of the 2008 Grand Boulé, "Diamonds and Pearls in the Desert." The Strip was covered in Blue & White from sunrise to sunset as Sorors attended business sessions, workshops, and other activities in the Las Vegas heat.

This week-long extravaganza featured performances by world-famous celebrities—Patti LaBelle, Clifton Davis, Bobby Jones, and Syleena Johnson—as well as the opportunity for Sorors, Friends, Youth and family to come together and fellowship under the Zeta umbrella.

During Boulé, Soror Sheryl Underwood was elected as the 23rd International President. Soror Underwood brings another "first" to Zeta as the first professional entertainer to hold the highest elected office of a historically black national pan-hellenic office.

TPZ continued its winning ways at the awards banquet where it received first place honors for both the Youth and Amicae scrapbooks and for Z-HOPE for the region! TPZ plans to leave its mark on Detroit, MI, as well—the site for the 2010 Grand Boulé!

The Presence of a Zeta

By Soror Eaton

What is a Zeta? A Zeta woman is an active force in her community, understands and values education, is comfortable enough with herself to uplift other women, yet grounded enough to realize that there is a time and a place for everything. Soror Renee S. Byrd is all

these things and more. She has dedicated herself to her sorority since being inducted on May 23, 1994 through Zeta Tau Zeta Graduate Chapter of Chicago, IL.

Soror Byrd, is a charter member of Tau Psi Zeta Graduate Chapter of Alsip, IL (9/19/2004) and served as its first president. Soror Byrd has held several varied positions at the local, state, and regional levels of the sorority which have prepared her for the most prominent title to date: Illinois State Director!

By profession, Soror Byrd is the Training Supervisor and an Instructional Designer for the Springfield Urban League's Community Health Training Center. Although Soror Byrd does a lot for her beloved organization, she never lets that interfere with her duties and responsibilities of being a mother to her only child Brianna Simon.

TPZ is delighted to congratulate Soror Renee Byrd on her appointment as Director of the Illustrious State of Illinois!

On October 4, 2008, Zetas, Amicae, and Youth from across the State of Illinois traveled to Eastern Illinois University in Charleston, IL to participate in the 42nd Illinois State Leadership Conference. Zetas met the new Illinois State Director, Renee S. Byrd, and learned of her plans for the State. Her theme, "Illinois - A Legacy of Leadership" was met with excited responses and enthusiasm for the future of Illinois under her leadership. The conference boast an attendance of Sorors, Amicae, Youth and Guest of over 180 in all.

Her plan includes reactivating inactive Sorors, increasing the membership of Zeta in the State of Illinois, especially in the undergraduate chapters, and training all Sorors on the new programmatic thrust. Sorors received information about state finances and the location of the next state conference: Western Illinois University, Macomb, IL. Elections were held and the new officers are: State Representative at Large—Lucretia Jamison; Chair of the Board—Janet Bell; Secretary—Leslie Buckner; Treasurer—LaDonna Randle; Parliamentarian—Geraldine Peeples; Graduate Member at Large—Margo Watson; Undergraduate Member at Large—Narzell Garner.

There were several workshops such as the American Cancer Society, How to be an effective advisor, and the Membership Intake Process.

All in all, this year's Illinois State Leadership Conference was informative, productive, and instrumental in showing that the State of Illinois is moving forward and taking care of the business of Zetadom.

The Politics of Zeta

IL State Leadership Conference

By Soror Golliday

Tacos, Peppers and Zetas On September 19, 2008, members of TPZ met at Uncle Julio's Hacienda to celebrate the 4th Anniversary Celebration
By Soror Golliday

Anniversary of the chartering of the chapter. TPZ came together for food, fun, and fellowship as charter members, new members, reclaimees, and transfers ate, drank and made merry rejoicing in the great things this chapter has done and continues to do in the name of Zeta.

Sorors received gifts ranging from candy and mints to bottles of wine for being the 19th and 20th sorors to arrive. Special thanks to the Special Events committee for organizing this event and making it so very special!

The ladies of the TPZ Step Team were at it again on August 29, 2008 at the annual step show **True, Performing Zetas** *Umoja Step Show* hosted by the ladies of Delta Sigma Theta Sorority Inc. at Governor's State University.
By Soror Eaton

The theme of this year's show followed the Kwanza principle of *Umoja* which means "unity or striving for and maintaining unity in the family, community, nation and race." The Pearl Zone Step Team used the show's message as the theme for their performance. The ladies, through their performance, suggested that the sororities within the NPHC should unite and rebuild the bond between organizations. While TPZ did not win the competition, it was still a Blue and White victory as the men of Phi Beta Sigma Fraternity Inc., Iota Nu Sigma chapter took first place. Congratulations to the ladies on a job well done!

The Pan-Hellenic Zest

Sankofa Awards

By Soror Johnson

"Building a Strong Foundation Through Scholastic Achievement, Leadership, Character, and Service" was the theme of the National Pan-Hellenic Council of Chicago's Sankofa Awards Dinner held on Saturday, October 11, 2008. Sankofa, derived from the Akan language of West Africa, teaches that we must go back to our roots

in order to move forward. The festivities were held at the Crystal Light Banquet Hall in Burbank, IL.

Under the leadership of President Soror W. Jeanine Daugherty, the program included the history of NPHC-Chicago, dinner, a medley of each NPHC organization's national song, and an inspirational message delivered by keynote speaker Oreitha P. Benion of Sigma Gamma Rho Sorority, Inc. Of the many awards given that night, Tau Psi Zeta received the Chapter of the Year award and a Community Service citation. Soror Renee Byrd won the Peace Award and NPHC-C Soror of the Year award for her hard work and dedication to the NPHC -C. Pictures and dancing continued well into the night.

TPZ looks forward to another year of hard work within the NPHC of Chicago!

Girls of Pearls News

Youth Auxiliaries of Tau Psi Zeta Chapter

A new year, new members by Soror M. Watson

On Saturday, November 20, 2008, the Youth Committee hosted an informational for the Amicette and Pearlette Youth Groups. The youth and their families learned more about upcoming activities and discussed the mission and purpose of the Youth Auxiliary Club. There was an abundance of interaction between the children of the same age group. It was a fun-filled afternoon as new members of the Youth Auxiliary Clubs of Tau Psi Zeta Chapter were welcomed.

Dining 101

By Soror M. Watson

In conjunction with the Z-Hope initiative of Zeta Phi Beta Sorority, the Youth Auxiliary Clubs held a Dining Etiquette workshop at the Avalon Branch Public Library on Nov. 15, 2008. The girls learned the basic techniques of place setting, the proper use of eating utensils, correct posture during meals, and positive interactions around the table. The girls and the adults in attendance enjoyed the workshop. They were given skills to use around their holiday tables and in future interactions. The workshop was enjoyed by all in attendance.

Bubbles for Bucks

By Soror J. Johnson

In an effort to raise money for future endeavors, the Amicette auxiliary held a car wash on October 18, 2008. The car wash was held at Quality Car Wash on 72nd and Stony Island. The Amicettes spent the afternoon cleaning cars and informing the local community about the great work the Youth group does. The day at the car wash was a great success, and the money raised will be used to further the vision and goals of the Amicettes for the year.

Zeta Archonette Club

Archonettes Support ACS Walk

by Archonette Destiny Houston-Jordan

The Archonettes were up bright and early on a frosty Sunday morning for the American Cancer Society's Making Strides Against Breast Cancer Walk. The ZA Club worked the first rest station by passing out water to the walkers. They also had water available for the dogs walking with their owners. After the walk, the Archonettes joined TPZ to do the "Cupid Shuffle" on stage for the cool down for the walkers. Even though it was freezing, the Archonettes were happy to help with this project. The girls are looking forward to the ACS walk again, next October.

Elections and Inductions

By Archonette Destiny Houston-Jordan

On October 18, 2008 the Zeta Archonette Club elected new officers for the 2008-2009 year. Congratulations to the following young ladies:

Amicae Making Strides!

By Friend J. Bennett

On October 19, 2008, the TPZ Amicae participated in the American Cancer Society's Making Strides Against Breast Cancer Walk. It was a beautiful day for the sisterhood to join together to raise money for a cause that affects people from every walk of life. The Amicae had fun, worked hard and made a difference by raising over \$400 to contribute to the cause. The Amicae can't wait for next year's walk!

Illinois State Leadership Conference

By Friend J. Bennett

The Amicae Auxiliary of Alsip was very excited to attend the first state meeting led by Friend Renee Byrd, the new State Director. This was also the first state meeting in which Friend Adrienne Henderson, the Alsip Amicae sponsor, served as state Amicae Coordinator. It was an awesome experience and very well run. The Amicae participated in various workshops, had a planning session and even held a fundraiser which netted approximately \$500 in revenue. Elections were held for three open Amicae offices. TPZ Amicae president, LaVorgis Sturkey was elected as State Financial Secretary. With all of this new leadership, the Amicae of Alsip are looking forward to great things in the State of Illinois!

Carson Community Days

By Friend J. Bennett

There's nothing like starting a new year of service revved up and running! On Saturday, November 8, the Amicae sold Carson's

Community Day booklets. Amicae were stationed throughout Carson's encouraging shoppers to help others by purchasing a booklet, and themselves with the generous coupons contained in the booklet.

The sponsor of Carson's Community Days was so impressed with the diligence and hard work of the Amicae, that she invited them to come out the following week to sell more booklets. The Amicae had a wonderful time and made money with little or no effort. That's service with a smile!

Omicron Delta Chapter at Eastern Illinois University

Omicron Delta Divas' blu-tiful semester By Soror T. Williams

The ladies of Zeta Phi Beta Sorority, Incorporated, Omicron Delta Chapter have put on different types of events this semester. The sorority members have definitely had an impact on the campus of Eastern Illinois University. In October, Omicron Delta hosted the 2008 State Conference for the sorority. Undergraduate and Graduate chapters from Illinois were on the campus for a full weekend. November 10-15 was "Zeta Week." During this week OD hosted many events for the campus. The members stood out in the cold and gave out free lemonade to the campus. 1st Vice President, Whitney Borders, stated, "We are always giving away something free to the campus". A heated discussion came about during a forum on women empowerment. Women and men discussed how women were portrayed in the media. Later in the week, students were encouraged to express themselves during an open mic night held in the University Union. Alicia Hill, 2nd Vice President, was excited for this event, saying, "The setting was very intimate." Zeta Week concluded with a bonfire by the pond pavilion and a "Wild Wild West" Dance Party where people came dressed in cowboy boots and bandanas. In the spirit of the season for giving thanks, November 17-20 was "Thanks-for-giving week". During this week OD chapter members gave thanks to people, organizations, and companies that have helped them throughout the semester. The chapter looks forward to planning more successful programs for the campus in coming months.

Omicron Delta: All About the Business of Zeta By Soror L. Buckner

The ladies of Omicron Delta hosted the 42nd Illinois State Leadership Conference on October 3-4, 2008 at Eastern Illinois University. The conference was attended by over 150 Sorors. Under the direction of IL State Director, Soror Renee Byrd, and with the assist of Yolanda Williams (on campus advisor) and Leslie Buckner (graduate advisor), these young ladies reserved rooms on campus, created a welcome banner, stuffed bags, and took on various tasks to help state meeting run smoothly. To close meeting, Omicron Delta hosted a party on campus with theme *iRep: Rep Your Crew*. Kudos goes to the ladies of Omicron Delta chapter on a job well done as host of the 2008 IL State Leadership Conference.

Thinking Pink, Zeta-style!

American Cancer Society Walk

By Soror Flowers

During the month of October, Breast Cancer Awareness is celebrated all over the country. This is the time of year where women and men celebrate surviving breast cancer, give a sense of hope and honor to loved ones who are fighting or have lost the fight against breast cancer.

On October 19, TPZ participated in the American Cancer Society's Making Strides Against Breast Cancer Walk along Chicago's Lakefront. Members of TPZ, Amicae and Archonettes helped paint the town the pink and blue as they participated in the 5K walk and volunteered at food and water stations. The ladies of the Blue and White also led the cool down session on the main stage.

With over 11,000 walkers participating, best friends Lorene Hayes and Sue Philson volunteered their time at the water and food stations. Lorene Hayes, a breast cancer survivor, volunteers her time every year for the walk. "Being a breast cancer survivor, I'm truly blessed by God to be here and celebrate surviving breast cancer with other survivors," said Hayes.

As a National Team Program Member, Tau Psi Zeta raised over \$3000 to contribute to the \$1 million raised in the Chicago area.

Great job ladies on showing the "pink" side of you!

Thinking Positive with ZHOPE

ZHOPE Workshops

By Soror Flowers

In keeping with Zeta's principle of service, TPZ continues to host informative workshops throughout the community.

ZHOPE Chairperson, Soror Nikkia Wallace, conducted workshops at BIR Training Center. The workshops focused on "Self-esteem: The Importance of Positive Self-esteem" and "Getting Organized in Chaos: How to Prepare for a Job Interview." Soror Wallace provided information on the do's and don'ts of preparing for job interviews such as what to wear and what not to wear, being on time and researching the company. "I want people to fully understand how appearance and attitude plays a major role in pursuing a job," said Soror Wallace. Just to get things rolling, students were able to interview one another to get a general idea of what to expect.

On October 25, TPZ participated in a health fair at St. Ailbe's Church. TPZ was on hand to deliver useful information to the public regarding a variety of health-related issues.

On Nov. 16, TPZ participated in March of Dimes Prematurity Awareness Sunday at St. Columbanus in Chicago, IL where Matthew S Eyerman is pastor. Members of TPZ worshipped and sang along with the members during service. TPZ's own Soror Wadlington, who teaches at St. Columbanus School, spoke briefly to members of the congregation on the importance of prenatal care and the number of birth defects in the U.S. Members of St. Columbanus received a variety of pamphlets on prematurity awareness.

All workshops turned out to be a great success. Two doves up to the ZHOPE committee and event coordinator, Soror Wallace on a job well-done. TPZ looks forward to bringing more workshops to the community in the upcoming months!

The Pearl Zone

Make A Difference Day

By Soror Pearson

Health concerns such as Sudden Infant Death Syndrome (SIDS), and Breast Cancer were at the top of the agenda. Young mothers were told several ways to prevent SIDS and the importance of distinguishing REAL Vs. Rumor when decreasing the risks of SIDS.

President Charlotte Taylor led the interactive workshop by demonstrating the actual procedures of breast self-examination. Some of the key elements discussed were the importance of knowing your family history concerning cancer, and willingness to ask your doctor the questions that may help in early detection.

The young ladies were formally introduced to Stork's Nest sponsors Sorors Andrea Wells and Linneth Harris whom will head the monthly workshops. In hopes to meet their individual and collective needs as a group, they gave suggestions about things that would like help in, ranging from college preparation, self-esteem motivation, to early childhood preparation for their bundles of joy. All in all, this event marked a wonderful new beginning for these young mothers and women of TPZ!

On Saturday October 25, 2008, Make a Difference Day, TPZ began their work with the Stork's Nest youth in assisting young mothers with the challenging but rewarding role of Motherhood. TPZ informed young mothers of issues that they should be aware of in raising their children.

Television Programs about Zetas

BETj Stork's Nest Taping

By Soror Bennett

The Stork's Nest Program is designed to promote prenatal care participation and healthy behaviors during pregnancy through two components- incentives and education. This past summer, Helen Bailey, the host of "Urban Living" on the BETj network provided the participants of TPZ's Stork's Nest with some of the best incentives ever—free makeovers and baby accessories! Bailey, along with a camera crew, stylists and assistants, met with TPZ at Catholic Charities in Roseland to give to young mothers in need. The day was filled with babies, beauty, and banter as the camera filmed the action in an effort to share Zeta's Stork's Nest Program with the BETj viewing audience. The show airs November 10, 2008 on BETj.

Truly Positive Zetas

Thanksgiving Project

By Soror Bennett

TPZ greeted "Turkey Day" by giving thanks and giving back to the community at the Harbor Light Salvation Army on Monroe in Chicago. TPZ Sorors, Amicae, and Archonettes worked in teams to wrap gifts, create decorations, and prepare meals for the residents and transients of the shelter. This project gave TPZ an opportunity to reflect on its many blessings including family, friends, and Sorors. Many thanks to the Social Action committee and its chair, Angela McGhee, for keeping TPZ community conscious and action-oriented!

Christmas came early though for our own Soror Carolyn Wadlington who was surprised at her school by a visit from President Elect - Barack Obama. He visited St. Columbanus on Wed., Nov. 26th to

help the Chicago Food Depository hand out food baskets to needy families. This picture and news also made the cover of the Chicago Tribune newspaper on Thanksgiving Day.
