5th Annual Finer Womanhood Prayer Breakfast

By Soror L. Golliday

Tau Psi Zeta hosted its 5th Annual Finer Womanhood Scholarship Prayer Breakfast on March 14, 2009 at the Doubletree Hotel in Alsip, IL. This signature event, a benefit for the Fervent Hearts Foundation, showcased TPZ's commitment to Zeta's core principles; scholarship, service, sisterly love, and finer womanhood. Emceed by Soror LeJon Ross-Busch, this year's event boasted a record number of guests who were serenaded by TPZ's very own Choir and entertained by the Praise Dancers. The Fervent Hearts Foundation presented scholarships totaling \$6,000 to deserving women continuing their educational goals. The breakfast also gives TPZ the opportunity to honor women and organizations who have made outstanding contributions to the sorority, their communities and the greater good. The honorees included Zeta of the Year, Kendra Jenkins; Amica of the Year, Janice Bennett; Archonette of the Year, Brianna Simon; Woman of the Year, Ida Byther-Smith, and Organization of the Year, Catholic Charities: Jadonal E. Ford Center for Adolescent Parenting.

Chaired by Soror Tina Davis, the 2009 Finer Womanhood committee organized and executed a fantastic prayer breakfast! Many thanks to all the people who support this event and those who work so hard to make it a success!

From the Desk of the President:

Greetings Sorors, Amicae, Youth, Brothers, Family & Friends,

We have just completed our fifth fiscal year as a chapter and we have many successes to brag about! Our Finer Womanhood program was another success and we were able to award \$6,000 in scholarships. We also honored our neophytes at their celebration and welcomed 14 inactive Sorors back to Zeta. Congrats to the Membership Coordinator, Soror Mariam Thiam on a job well done! Finally, we won four awards for our work at the Great Lakes Regional Conference. We won recognition for our donation to the National Education Foundation; we won second place for our Chapter Journal/Scrapbook, first place for our Youth Journal/Scrapbook and first place for our Z-HOPE programs. All of these successes, as well as our other events that you will read about in this edition of the Pearl Pages would not be possible without your support. If you attended a program, bought a ticket, or made a donation, we thank you.

I am looking forward to another successful year in 2009-2010.

Sisterly,

Charlotte D. Taylor, Esq.

What do you do with an old pair of shoes? Leave them in the back of your closet? Throw them away? Let your dog use them as chew toys? Or do you wash, dry, and ship them to someone in an underserved county who will cherish them? That's exactly what the TPZ family did on Saturday, March 21 at Share Your Soles in Alsip, IL. TPZ Sorors, Amicae, and Youth spent the day washing, drying, and sorting shoes preparing them to be shipped all over the globe to men, women, and children living in poverty.

Share Your Soles Founder, Mona Purdy, has been collecting and donating shoes since 1999 and has shipped millions of shoes in an effort to live up to the organization's mission: To Teach; To Provide; To Inspire; To Change. TPZ is proud to work with such an empowering and remarkable organization and looks forward to continuing this dynamic partnership.

Glass Slipper Project

By Soror A. Pearson

Young ladies had their choice of beautiful formal gowns that were new and gently used—totally free of charge! Vernon Johns School on Chicago's south side was transformed into “boutiques” giving these young women the opportunity to shop for the dresses of their dreams.

In the tradition of Zeta, TPZ exemplified Finer Womanhood and Service by serving as personal shoppers, make-up consultants and accessories assistants. Sorors arrived bright and early at 7:30 am to greet these young ladies who had been in line since 2 o'clock that morning. They were then escorted to various rooms where they hand picked their look from head to toe. Having the option of three shifts, TPZ was there from beginning to the end and helped make over 400 young ladies' prom night as memorable as possible.

On two Saturdays in April, members of Tau Psi Zeta became fairy godmothers as they waved their magic wands to make prom dreams come true for hundreds of high school girls. The Glass Slipper Project provides the opportunity for women and organizations in the Chicagoland community to give back. To date, the Glass Slipper Project has helped more than 10,000 young women attend their prom in style.

On May 16th, 2009, TPZ hosted a baby shower as part of the sorority's national Stork's Nest Program. The Stork's Nest Program is a series of parental educational workshops that emphasize good health and proper nutrition for babies (pre- and post- natal care), in conjunction with the March of Dimes. The guests were treated to food, games, and a raffle. The program

awards gifts at the end of the year, for those young ladies that have come out to at least five workshops. The top two attendees received “special” prizes and a gift card. Special thanks to the Stork's Nest committee chairs, Sorors Harris and Wells, for their work with this program.

Tackling Prematurity with Zest

March for Babies

By Soror J. Johnson

On the cold, rainy morning of April 31, 2009, Sorors of Tau Psi Zeta Chapter joined thousands of people across the Chicagoland area to participate in the March for Babies. This annual fundraiser through the March of Dimes raises money and awareness in their mission to improve the health of babies by preventing birth defects, premature birth, and infant mortality. The Sorors of TPZ, along with Amicae and youth, walked in either of two march locations, one in the South suburbs and one in Chicago. Not only did the chapter "walk the walk", they took on the challenge of raising money to exceed last year's chapter goal of \$2500. The chapter not only met the challenge, they far surpassed it, raising over \$4,000! Sorors individually created web pages through the March of Dimes' web site where people could log on and donate. Special prizes were given from the President to the top five fundraisers of the chapter.

A great time was had by those that participated in the walk. A lot of money was raised this year and we look forward to raising even more for next year's march.

On Sunday, June 7th, TPZ was up and at 'em bright and early for the Avon Breast Cancer Walk near Chicago's Lakefront. The TPZ family was assigned to the cheering station located near the clock tower in Lincoln Park, next to the Marovitz Golf Course. TPZ Sorors, Amicae, and Youth raised their collective blue and white voices to encourage walk participants through the 13.1 mile long haul through Chicago.

The Avon walk raises funds to provide medically uninsured persons the opportunity to receive the screenings, support, and treatment they require and provide support to research teams committed to curing the disease. Special thanks to Soror McGhee, Social Action Chair, for organizing this worthwhile event and keeping TPZ community conscious!

The chapter has always taken leadership seriously. Each and every conference that is held is well attended by the members of Tau Psi Zeta. However, this year's conference was extra special to the chapter since our very own Soror Renee S. Byrd was serving as the Illinois State Director. In addition, Soror Alice Craft of Zeta Tau Zeta Chapter was serving as the Great Lakes Regional Director and our Grand Soror Sheryl P. Underwood was made right here in Chicago. This year Soror Craft took the conference to the Land of 10,000 Lakes.

The conference was held from April 23-26, 2009 at the Holiday Inn Select in Bloomington, MN, walking distance from the fabulous Mall of America. This year Tau Psi Zeta had 22 Sorors in attendance, 5 Amicae and 6 Archonettes. The chapter also clearly went there on a mission, an award winning mission. TPZ worked diligently all year to compete at the Regional level with the other chapters throughout the state and region for many awards. Our own Soror Leslie Buckner participated in the Ms. Zeta Pageant and placed as the runner up. This year TPZ won the following:

- Award for donation to National Educational Foundation (NEF) & 2nd Place Award for Scrapbook
- 1st Place Award for Z-HOPE programs & 1st Place Award for Youth Scrapbook/Journal
- Amicae of Alsip, IL won 1st Place Award for Scrapbook/Journal & 2nd Place Award for Chapter Report

Again, congratulations!!!! The chapter has already started planning for Regionals 2010 and looks forward to Louisville with our Brothers, the men of Phi Beta Sigma Fraternity, Inc. TPZ is always on the move and ready for action.

Hard work is no stranger to the Archonette Club, especially at the *Share Your Soles* FWH Service Project. About 8 girls & friends helped wash, sort and categorize shoes going to indigent countries.

Also, the sign of a true dedication is this picture taken of Archonettes Shanya Scott and Lauryn Nash at the *March for Babies* walk in downtown Chicago on a rainy and cold April morning. They were walking with the entire Blue & White family and a host of all other supporters.

4th Annual Chapter Retreat

By Soror L. Golliday

Members of Tau Psi Zeta came together on Saturday, March 7, 2009 at the Hilton Hotel in Kankakee, IL for the 4th annual chapter retreat to regroup and take a page from President Obama's campaign slogan of "Yes We Can." Led by Sorors Nicole Eades and Concetta Williams, the Special Events committee prepared a program that was educational, enlightening, and entertaining to all in attendance.

While Sorors Tina Davis and Tonia Turner kept the atmosphere and excitement of the program up as the retreat's hosts, they also led a sister circle presentation where Sorors were able to learn things about one another and learn how not only how to be better Sorors, but better women. Soror Charlotte Taylor conducted a presentation to familiarize attendees with Zeta's core principles, and educate new members in the ways of Zetadom. Led by Soror Darcell Norwood-Baugh, Sorors obtained information to become financially healthier and wealthier, and Soror Leslie Buckner presented members with information on becoming physically healthier.

This year's fashion extravaganza, titled "It's Royal Blue, Not Navy" showcased TPZ members displaying various fashions from formal attire, party wear, and paraphernalia.

This year's retreat was one of the best that TPZ has ever had, as it hit one of the principal reasons that the chapter was founded, ...to create an atmosphere where a diverse group of women can come together to achieve the personal goal of a lifetime of commitment to Zeta.

TPZ's president, Charlotte Taylor, hosted the annual President's Award Luncheon on June 6 at St. Ailbe's to honor and recognize Sorors for their dedication throughout the year. Congratulations to the following Sorors:
