

HISTORY OF ZETA PHI BETA SORORITY, INC.

Zeta Phi Beta Sorority, Incorporated is an international women's organization that has established itself as the foremost network of socially and politically conscious activists working to empower disenfranchised communities.

On January 16, 1920, five trailblazers at Howard University in Washington D.C.: Arizona Cleaver Stemons, Pearl Anna Neal, Myrtle Tyler Faithful, Viola Tyler Goings and Fannie Pettie Watts, sought to depart from established organizations and founded a new sisterhood predicated on the precepts of Scholarship, Service, Sisterhood and Finer Womanhood.

Only Zeta has been and continues to be the "Sorority of Firsts" creating best-in-class educational programming models like Stork's Nest and Z-HOPE and a family of youth and adult auxiliary groups to advance our local communities.

With more than 120,000 members initiated, Zeta has become one of the world's foremost movements for social justice and civic change. Members of Zeta are called to a higher purpose of Finer Womanhood. Zeta women are achievers and leaders in every field in more than 800 communities across the United States, Africa, Asia, the Caribbean and Europe
